

College Coach Waiver and Participation Terms

Waiver Scope and Electronic Acceptance

This Liquid Helix College Coach Waiver and Participation Terms document (this “Waiver”) is between CVC Unlimited, Inc., doing business as Liquid Helix (“Liquid Helix”), and the individual who electronically accepts this Waiver through Helix Hub (the “Coach”) in connection with registration for a specific Liquid Helix recruiting showcase. The specific showcase identified in the Coach's Helix Hub registration and linked to the Coach's electronic acceptance record is the “Showcase.” The college or university identified in the Coach's Helix Hub account or event registration is the Coach's “Institution.” Unless an authorized representative separately agrees in writing, the Institution is not a party to this Waiver and is not bound by the Coach's electronic acceptance.

1. Coach Identity, Institution, and Event-Specific Acceptance

The Coach represents that: (a) the Coach is at least eighteen (18) years old and legally able to enter into this Waiver; (b) the Coach's name, email address, title, Institution, and professional affiliation reflected in Helix Hub or the applicable Showcase registration are accurate and current; (c) the Coach is authorized by the Institution to attend the Showcase in the stated professional capacity; (d) the Coach personally completes the electronic acceptance process and will not permit another person to sign or accept this Waiver on the Coach's behalf; and (e) the Coach will promptly update Liquid Helix if the Coach's title, affiliation, contact information, or attendance status materially changes.

The Coach accepts this Waiver in the Coach's individual capacity. The Coach does not represent that the Coach has authority to bind the Institution, grant rights owned by the Institution, or make commitments on the Institution's behalf except to the extent the Coach actually has that authority. Each electronic acceptance of this Waiver applies only to the specific Showcase registration linked to that acceptance. The Coach must separately accept this Waiver for each additional Liquid Helix showcase for which the Coach registers, even if the Waiver text is unchanged.

2. Showcase Participation Acknowledgment

The Coach voluntarily registers for and attends the Showcase for legitimate recruiting, evaluation, networking, educational, and related professional purposes. Showcase activities may include observing esports gameplay, reviewing recruiting profiles, meeting players and families, participating in panels or interviews, touring event spaces, using computers or online systems, and appearing in photographs, video, audio, livestreams, graphics, and event communications.

Liquid Helix may reasonably adjust the schedule, format, venue areas, speakers, participating schools, players, technology, or other event details. Registration does not guarantee access to any particular player, number or quality of prospects, private meeting, recruiting result, admission decision, scholarship, roster placement, or other outcome.

3. Assumption of Risk

The Coach understands that attending an in-person esports event involves known and unknown risks. These may include slips, trips, falls, stairs, crowded areas, cables, electrical or computer equipment, tables and chairs, extended sitting or screen exposure, repetitive motion, loud sound, lighting or flashing images, food or

environmental allergens, illness or contagious disease, contact with other attendees, emergency evacuation, parking and travel hazards, and loss, theft, or damage to personal property.

These risks may result in bodily injury, illness, disability, death, or property loss, even if such outcomes are unlikely. The Coach knowingly and voluntarily accepts the ordinary and inherent risks of attending and participating in the Showcase, agrees to use reasonable care, will follow safety instructions, and will promptly report known hazards, injuries, or emergencies to event personnel.

4. Release of Liability and Covenant Not to Sue

In consideration for being permitted to attend or participate in the Showcase, and to the fullest extent permitted by applicable law, the Coach, for the Coach and the Coach's heirs, personal representatives, estate, successors, and assigns, releases and forever discharges the Released Parties (defined in Section 5) from all claims, demands, causes of action, damages, liabilities, losses, and expenses arising out of or relating to the Coach's arrival, attendance, participation, use of the premises or equipment, or departure from the Showcase, including claims for personal injury, illness, death, or loss of or damage to property that are caused in whole or in part by the ordinary negligence of a Released Party.

To the same extent, the Coach agrees not to sue or bring a claim against a Released Party for a matter validly released by this Section. This release does not apply to gross negligence, reckless or intentional misconduct, workers' compensation rights, or any other claim or right that cannot lawfully be waived. Each provision of this Section is intended to apply only to the maximum extent permitted by the law governing the particular claim.

5. Released Parties

"Released Parties" means: CVC Unlimited, Inc.; Liquid Helix; their parents, affiliates, successors, and assigns; their respective owners, officers, directors, employees, agents, contractors, volunteers, and insurers; and the Showcase's venue owners and operators, hosts, event partners, sponsors, service providers, and institutional partners, together with their respective personnel, but only with respect to their authorized involvement in or support of the Showcase. Each Released Party is an intended third-party beneficiary of Sections 3 through 6.

6. Medical, Personal Property, Insurance, and Transportation Responsibility

- **Health and medical assistance.** The Coach is responsible for deciding whether the Coach can safely attend and for managing personal medications, medical devices, allergies, and routine care. Liquid Helix or venue personnel may provide reasonable first aid, contact emergency services, or arrange emergency transportation when reasonably believed necessary, but they have no duty to provide medical care or guarantee any particular response.
- **Costs and insurance.** The Coach is responsible for medical, ambulance, hospital, insurance deductible, and related expenses, except to the extent another person or entity is legally responsible. The Coach is responsible for maintaining any health, auto, property, or other insurance the Coach considers appropriate.
- **Personal property.** The Coach is responsible for computers, phones, bags, equipment, vehicles, and other personal property brought to or left at the Showcase. Liquid Helix is not an insurer of personal property and does not guarantee against loss, theft, or damage.
- **Travel and lodging.** Unless Liquid Helix expressly agrees otherwise in writing, the Coach is responsible for transportation, parking, lodging, meals, personal vehicles, rideshares, and off-site activities. Separate written terms may apply if Liquid Helix directly provides transportation or another service.

7. College Coach Professional Conduct

The Coach will act professionally, respectfully, safely, and lawfully and will help maintain a welcoming environment for players, families, coaches, staff, volunteers, and other attendees. The Coach will comply with reasonable instructions from Liquid Helix and venue personnel and with applicable event, venue, technology, game-title, and safety rules.

The following conduct is prohibited:

- harassment, discrimination, retaliation, bullying, hazing, sexual misconduct, or other inappropriate conduct;
- threats, violence, intimidation, possession of prohibited weapons, or conduct creating an unreasonable safety risk;
- intoxication, unlawful drug activity, theft, vandalism, cheating, credential misuse, or deliberate disruption of the Showcase;
- offensive, abusive, or sexually explicit communications or content; and
- recording in restricted areas, recording nonpublic player data, or violating another person's reasonable privacy expectations or applicable law.

The Coach will promptly report an immediate threat, serious misconduct, suspected exploitation of a participant, or material safety concern to Liquid Helix or venue personnel. This reporting obligation does not require the Coach to investigate or provide professional services outside the Coach's training or authority.

8. Recruiting Conduct and Relationship With Players

The Coach will use the Showcase solely for legitimate recruiting, evaluation, and related institutional purposes and will comply with applicable law and the Coach's institutional, conference, association, safeguarding, and recruiting requirements. Liquid Helix does not determine whether a recruiting contact, offer, communication, or decision is permitted under rules applicable to the Coach or the Institution.

When interacting with players, and especially with participants under age eighteen (18), the Coach will maintain professional boundaries; respect the player's and parent's stated communication preferences; use appropriate event-approved or Institution-approved channels; avoid private or isolated one-on-one meetings with minors; and refrain from requesting passwords, financial account information, Social Security numbers, unnecessary medical information, or other sensitive information not reasonably required for lawful recruiting.

The Coach will not misrepresent the Coach's identity, authority, Institution, recruiting interest, admissions status, scholarship authority, financial-aid authority, or ability to offer a roster position. Any recruiting statement, evaluation, commitment, or offer is made by the Coach or Institution, not by Liquid Helix.

Player profiles and Showcase observations may contain player-submitted, coach-verified, platform-generated, linked, or third-party information. Liquid Helix does not guarantee the accuracy, completeness, eligibility, identity, performance, availability, admissions prospects, or recruiting interest of any player. The Coach and Institution are responsible for independent evaluation, verification, and recruiting decisions.

9. Player Data Confidentiality and Limited Use

Definition. "Player Data" means any nonpublic information made available through Liquid Helix or the Showcase concerning a current or prospective player, including the player's identity, contact information, age or date of birth, parent or guardian information, school, graduation year, academic or eligibility information, esports titles, gamer tags, roles, rankings, statistics, competitive history, video or gameplay links, evaluations, recruiting preferences, communications, attendance, account information, and any report, list, note, export, or compilation containing such information. Player Data may include information concerning minors and must be handled with heightened care.

Permitted purpose. The Coach may access and use Player Data only to evaluate and recruit players for the Institution identified in this Waiver and to conduct directly related admissions, eligibility, financial-aid, compliance, and roster evaluation activities permitted by the Institution. Access is tied to that Institution and may not be carried to another school, employer, business, or personal activity.

Permitted internal sharing. The Coach may share Player Data only with employees or authorized contractors of the Institution who have a legitimate need to know for the permitted purpose ("Authorized Institutional Personnel") and who are subject to applicable confidentiality, privacy, security, or professional obligations. The Coach may place Player Data in an Institution-approved recruiting or admissions system only when the

system is used for the permitted purpose and is protected by appropriate access controls and contractual or institutional safeguards.

The Coach will not, and will not permit another person to:

- disclose or provide Player Data outside the Institution, including to another school, independent recruiter, commercial recruiting service, data broker, sponsor, advertiser, media outlet, donor, booster, or personal contact;
- sell, license, rent, trade, publish, post, publicly display, or otherwise commercially exploit Player Data;
- use Player Data for unrelated marketing, fundraising, employment, research, profiling, model training, product development, or any purpose not expressly allowed by this Waiver;
- combine Player Data into an outside database, upload it to a public or consumer artificial-intelligence service, or use it to develop or improve a competing recruiting database or service; or
- contact a player for a purpose unrelated to legitimate recruiting for the Institution or in a manner inconsistent with the player's or parent's consent, applicable law, or the Institution's policies.

Retention, deletion, and required disclosure. At Liquid Helix's request, when the Coach no longer needs Player Data for the permitted purpose, when the Coach leaves or changes the identified Institution, or when access is terminated, the Coach will stop using Player Data and delete or securely destroy copies under the Coach's control. The Institution may retain the minimum information required by applicable law or a bona fide institutional records policy, but any retained information remains protected by this Waiver. If disclosure is legally compelled, the Coach will, to the extent permitted by law, give Liquid Helix prompt notice, disclose only what is legally required, and reasonably cooperate in seeking protective treatment.

The duties in this Section continue after the Showcase and after the Coach's account or access ends for so long as the Player Data remains nonpublic or applicable law, institutional policy, or the nature of the information requires protection.

10. Protection of Liquid Helix Information and Systems

Liquid Helix information. "Liquid Helix Materials" means the Liquid Helix platform, databases, database structure and compilations, interfaces, search tools, reports, analytics, event materials, software, documentation, access credentials, security features, and nonpublic business, operational, technical, pricing, or partner information made available to the Coach. Player Data is also protected under Section 9.

The Coach receives a limited, non-exclusive, non-transferable, non-sublicensable, and revocable right to access and use Liquid Helix Materials only as expressly permitted by this Waiver. The Coach will not:

- share an account, password, access link, or credential; allow an unauthorized person to use the Coach's account; or access another person's account;
- use bots, scripts, crawlers, scraping tools, automated collection, bulk downloading, or other methods to copy or extract data except through an expressly authorized platform feature;
- bypass, disable, probe, or interfere with security, access controls, rate limits, event technology, networks, software, or equipment;
- reverse engineer, decompile, disassemble, mirror, frame, reproduce, or create derivative works from the platform except to the limited extent a restriction is prohibited by law; or
- use Liquid Helix Materials to create, support, or improve a competing database, recruiting platform, data product, or service.

The Coach will use reasonable administrative, technical, and physical safeguards appropriate to the sensitivity of Player Data and Liquid Helix Materials and will limit access to Authorized Institutional Personnel. The Coach will promptly notify Liquid Helix through the contact method provided in Helix Hub or on Liquid Helix's website of suspected credential compromise, unauthorized access, loss, use, or disclosure and will reasonably cooperate in containment, investigation, remediation, and legally required notices.

Liquid Helix may maintain access logs, investigate suspected misuse, restrict functions, require deletion or certification of deletion, and suspend or revoke access when reasonably necessary to protect players, the platform, the Showcase, or other users.

11. No Ownership or Other Rights Transferred

Liquid Helix and its licensors retain all right, title, and interest in the Liquid Helix Materials, including the platform, software, interface, branding, database design, and the selection, coordination, and arrangement of data and content. Players, coaches, Institutions, and third parties retain rights they may have in their own preexisting information, content, names, and marks. This Waiver does not treat personal information as property or transfer rights that applicable law does not recognize.

Access to Player Data or Liquid Helix Materials does not transfer ownership, grant an unrestricted license, or authorize reuse outside Sections 8 through 10. The Institution may maintain its independently created recruiting notes and records, subject to Section 9 to the extent they contain or reveal Player Data. No right or license is granted by implication, estoppel, or otherwise.

12. Media and Recording Release

The Coach understands that the Showcase may be photographed, filmed, livestreamed, or otherwise recorded. The Coach authorizes Liquid Helix and its event-production, marketing, media, and distribution designees to photograph, record, livestream, and capture the Coach's appearance, image, likeness, voice, statements, interviews, quotations, and participation at the Showcase (collectively, "Coach Media").

The Coach grants Liquid Helix a worldwide, perpetual, royalty-free, non-exclusive license, with the right to edit, crop, caption, combine, reproduce, publish, display, distribute, transmit, and sublicense Coach Media to service providers and event partners as reasonably necessary to advertise, promote, document, broadcast, archive, and recap the Showcase, future editions of the Showcase, and Liquid Helix's related recruiting-showcase program, in any lawful medium now known or later developed. The Coach waives any right to inspect or approve the finished material and understands that no additional compensation is due.

Liquid Helix will not intentionally use Coach Media to falsely attribute a material statement to the Coach or to imply the Coach's endorsement of an unrelated third-party product. Liquid Helix is not required to use any Coach Media. The permissions in this Section apply to materials created in connection with the Showcase and survive the end of the event.

The Coach may take personal photographs or recordings only as permitted by event and venue rules and may not record restricted areas, nonpublic Player Data, private conversations, or another person in violation of law or reasonable privacy expectations.

13. Name, Title, School, and Publicity Authorization

The Coach authorizes Liquid Helix to use the Coach's name, professional title, Institution name, team or program name, professional biography, professional social-media handle, headshot or profile image, and other materials supplied or approved by the Coach (collectively, "Coach Publicity Materials") to announce and promote that the Coach is registered, scheduled, attending, or has attended the Showcase.

Liquid Helix may use Coach Publicity Materials in event websites and registration pages, social-media posts, emails, press materials, programs, schedules, signage, sponsor and partner communications, promotional graphics, videos, presentations, advertising, and event recaps, without additional compensation or case-by-case approval. This authorization is limited to accurate promotion, documentation, and recap of the Showcase and Liquid Helix's related recruiting-showcase program.

The Coach represents that the information and Coach-controlled materials submitted are accurate and that the Coach has the rights necessary to authorize their use. The Coach will promptly notify Liquid Helix if the Coach cancels, changes Institutions, or learns that a material item is inaccurate. Liquid Helix will use

reasonable efforts to correct future materials but is not required to recall or destroy materials already printed, published, distributed, archived, or committed for production.

14. School Logo and Trademark Use

The Institution's name may be used factually as described in Section 13. By accepting this Waiver, the Coach grants Liquid Helix, to the extent the Coach has authority to do so, a limited, non-exclusive, royalty-free permission to use an Institution logo, team logo, word mark, or other Institution-owned brand asset that the Coach supplies to Liquid Helix or affirmatively approves for use in connection with promotion, operation, documentation, or recap of the Showcase and Liquid Helix's related recruiting-showcase program. Any such permission does not transfer ownership of the mark.

This Waiver does not give the Coach authority the Coach does not otherwise possess and does not, by itself, grant Liquid Helix rights in Institution-owned marks that the Coach is not authorized to license. If the Coach knows that use of a particular Institution-owned logo or brand asset is not authorized, the Coach will not supply or approve that asset for use. Liquid Helix may continue to identify the Institution by name factually as permitted by Section 13.

15. No Endorsement, Agency, or Partnership

A Coach's or Institution's attendance, identification, or appearance in Showcase publicity does not by itself mean that the Coach or Institution sponsors, endorses, partners with, certifies, or guarantees Liquid Helix or the Showcase. No employment, agency, fiduciary, partnership, joint venture, franchise, or similar relationship is created by this Waiver.

Neither the Coach nor Liquid Helix may knowingly make a materially false statement suggesting a relationship or endorsement that does not exist. The Coach may accurately state that the Coach is attending or attended the Showcase but may not use Liquid Helix names, logos, or brand assets for other promotional or commercial purposes without prior written permission.

16. Event Rules; Access; Removal; Event Changes

The Coach will comply with this Waiver, any Showcase rules or policies presented or linked to the Coach as part of registration, venue rules, reasonable staff instructions, and applicable law. Liquid Helix may deny entry, restrict activities, suspend platform or Player Data access, remove the Coach from the Showcase, or terminate future access when Liquid Helix reasonably believes the Coach has violated these terms, misrepresented affiliation, created a safety concern, engaged in inappropriate recruiting conduct, misused data or systems, or materially disrupted the event.

Liquid Helix may report serious misconduct, threats, suspected exploitation, unlawful activity, data misuse, or material policy violations to the Coach's Institution, the venue, affected individuals, law enforcement, regulators, or other appropriate authorities when reasonably necessary or legally required.

Liquid Helix may modify, postpone, relocate, suspend, or cancel all or part of the Showcase because of weather, emergency, public-health conditions, venue issues, power or network failure, technology or publisher issues, governmental action, safety concerns, participation levels, or circumstances beyond reasonable control. Fees and refunds are governed by the applicable registration and refund policy. To the fullest extent permitted by law, Liquid Helix is not responsible for the Coach's travel, lodging, lost time, or other incidental expenses resulting from removal or an event change.

17. Indemnification for Coach Misconduct

To the fullest extent permitted by applicable law, the Coach will indemnify and hold harmless CVC Unlimited, Inc., Liquid Helix, and their owners, officers, directors, employees, agents, and contractors (the "Liquid Helix Indemnified Parties") from third-party claims, damages, liabilities, losses, judgments, and reasonable attorneys' fees and costs, but only to the extent arising from or caused by:

- the Coach's intentional, reckless, fraudulent, or unlawful conduct;
- the Coach's material breach of Sections 7 through 15;
- the Coach's unauthorized access to, use of, or disclosure of Player Data or Liquid Helix Materials;
- the Coach's violation of another person's privacy, publicity, confidentiality, intellectual-property, or other legal rights; or
- a claim that materials supplied by the Coach infringe or violate a third party's rights because the Coach lacked the authority represented in this Waiver.

This Section does not require the Coach to indemnify a Liquid Helix Indemnified Party to the extent a claim is caused by that party's gross negligence, reckless or intentional misconduct, or other fault that cannot lawfully be shifted. Liquid Helix will provide reasonable notice of a covered third-party claim and may control the defense and settlement. The Coach will reasonably cooperate, and no settlement may impose an admission, payment, or non-monetary obligation on the Coach without the Coach's consent, not to be unreasonably withheld.

18. Legal Terms and Electronic Signature

Entire agreement and incorporated terms. This Waiver, together with any Showcase-specific registration terms and Liquid Helix policies that are expressly presented or linked to the Coach in Helix Hub as part of registration (including, if applicable, privacy, conduct, and refund policies), constitutes the entire agreement between the Coach and Liquid Helix concerning the subjects addressed here and supersedes prior oral or written discussions on those subjects. If an expressly incorporated policy conflicts with this Waiver, this Waiver controls for the specific Showcase unless the policy gives a right that applicable law requires.

Governing law. This Waiver and all claims or disputes arising out of or relating to this Waiver, the Coach's registration for or attendance at a Showcase, or the Coach's use of Helix Hub are governed by the laws of the State of Illinois, without regard to conflict-of-laws principles. The Federal Arbitration Act, 9 U.S.C. Sections 1-16, governs the interpretation and enforcement of the arbitration agreement below. To the extent state arbitration law applies and is not preempted, the Illinois Uniform Arbitration Act, 710 ILCS 5/1 et seq., also applies.

Binding arbitration; DuPage County. Except for (a) an individual claim that qualifies for small claims court and (b) a request for temporary, preliminary, or permanent injunctive relief as described in the next paragraph, any dispute, claim, or controversy arising out of or relating to this Waiver, the Showcase, the Coach's registration or attendance, Player Data, Liquid Helix Materials, or the Coach's use of Helix Hub will be resolved by final and binding arbitration before one neutral arbitrator administered by the American Arbitration Association (AAA) under its Commercial Arbitration Rules then in effect. The legal seat of arbitration and, unless the parties agree otherwise, the hearing location will be DuPage County, Illinois. The arbitrator may award any remedy available under applicable law and will issue a written award sufficient to explain the essential findings and conclusions. Judgment on the arbitration award may be entered in any court having jurisdiction.

Individual proceedings; waiver of court and jury trial. Arbitration will be conducted only on an individual basis. Neither the Coach nor Liquid Helix may bring or participate in a class, collective, consolidated, or representative arbitration concerning a dispute subject to this provision. For disputes required to be arbitrated, the Coach and Liquid Helix each knowingly waive the right to have the dispute decided by a judge or jury in court. Nothing in this provision prevents either party from bringing an individual claim that properly qualifies for small claims court.

Equitable relief. The Coach acknowledges that unauthorized use or disclosure of Player Data, access credentials, or Liquid Helix Materials may cause harm that is difficult to measure. Notwithstanding the arbitration requirement above, Liquid Helix may seek temporary, preliminary, or permanent injunctive or other equitable relief to stop or prevent an actual or threatened breach involving such data, credentials, materials, intellectual property, or system access. Any court proceeding permitted by this paragraph may be

brought in the state courts located in DuPage County, Illinois, or, when federal jurisdiction exists, the United States District Court for the Northern District of Illinois. Seeking such relief does not waive the right or obligation to arbitrate the remaining dispute.

Severability; waiver; assignment. If a provision is held invalid or unenforceable, it will be limited or severed to the minimum extent necessary, and the remaining provisions will continue in effect. A failure to enforce a provision is not a waiver. The Coach may not assign this Waiver or transfer access without Liquid Helix's written consent. Liquid Helix may assign this Waiver to a successor to the Showcase platform or related business, subject to applicable law.

Survival; third-party beneficiaries. Sections 4 through 6 and 9 through 18 survive the Showcase and termination of access as their nature requires. The Released Parties and Liquid Helix Indemnified Parties are intended third-party beneficiaries of the provisions expressly benefiting them; otherwise, there are no third-party beneficiaries.

Electronic waiver and consent to electronic records. The Coach consents to using electronic records and an electronic signature for this Waiver. To accept the Waiver for a Showcase, the Coach must check the required "I have read and agree" box, enter the Coach's name/signature and email address, and select the Agree or Submit button in Helix Hub. By completing those steps, the Coach intentionally signs this Waiver electronically and agrees to be legally bound by it for the specific Showcase linked to the acceptance record. Electronic signatures, checked boxes, typed names, click-to-accept actions, and electronic records are intended to have the same force and effect as handwritten signatures and paper records to the fullest extent permitted by applicable law.

Voluntary acceptance. The Coach confirms that the Coach has read this Waiver, understands that it contains a release of liability and continuing confidentiality and data-use obligations, has had an opportunity to review the terms before submitting the electronic acceptance, and voluntarily agrees to be legally bound. Acceptance for one Showcase does not constitute acceptance for any other or future Showcase.

Event-Specific Electronic Acceptance

This Waiver is presented as part of registration for a specific Showcase. The Showcase identified in Helix Hub and associated with the Coach's acceptance record is the only Showcase covered by that acceptance. A separate electronic acceptance is required each time the Coach registers for another Liquid Helix showcase.

Electronic Acceptance

To sign this Waiver for the applicable Showcase, the Coach must complete the following acceptance in Helix Hub:

☐ I have read and agree to the Liquid Helix College Coach Waiver and Participation Terms.

Name, Email, and Electronic Signature

After checking the box above, the Coach enters the Coach's name/signature and email address and selects Agree or Submit. Completion of those steps constitutes the Coach's electronic signature and acceptance of this Waiver for the specific Showcase associated with that Helix Hub registration.

Electronic record. Helix Hub will retain an electronic acceptance record that includes the Coach's name/signature, email address, date and time of acceptance, and the applicable Showcase or event-registration record. Liquid Helix may also retain the Waiver version and other reasonable system-generated audit information. The Helix Hub acceptance record is intended to evidence the Coach's electronic signature and agreement for that specific Showcase. Liquid Helix may retain the record for legal, compliance, security, and business-record purposes consistent with applicable law and its Privacy Policy.
